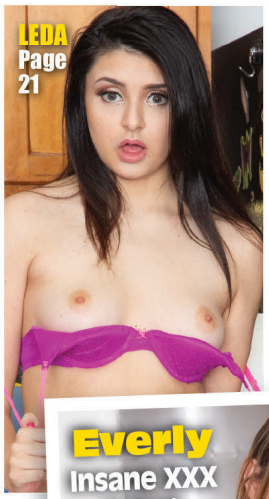
VOLUME 26
NUMBER 5



Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD. There are three XXX scenes with jizz-hungry newbs and six solo sluts.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them or download them and save them forever. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go.

Here are the highlights of this issue's bonus scenes.

Jodi and Sindy take on a porn stud together. Sindy has braces. Jodi is a flattie with a cute, short pixie haircut. They start by making out, but soon put their mouths to better use on a dude's hard cock.

Clarise is brand new. She takes her time getting undressed, playfully caressing her titties and tugging at her panties before the big reveal. You won't mind the tease because her scene pays off big time.

Madison wants you to make the first move. "Most of my fantasies have some sort of power play thing going on," Madison told us. "I'm usually submissive, so I like being tied up."

Chanel is a thick blonde 18-year-old cutie with curves. She told us that her friends would be shocked if they saw her video. She's finger-fucking her pink pussy and spreading her big, luscious booty.

Mila has the body of a ballerina. There's a reason for that. She used to dance. Watch her contort her young, naked body into wild positions. She, of course, masturbates until she cums.

Kara's body is absolutely stunning. Her tummy is tight, her ass is pert and her tits are firm and perky. She's nervous about stripping and cumming on-camera, but only until she squirts.

Alex lost a bet, so she's posing nude just for you. Her friend told her she had to streak down the street, but she didn't want her neighbors to see. So, she's sharing her body online.

Christy is a 31-year-old Asian babe. She's tall and physically fit. She can't stop smiling because she's nervous. Her giggles are cute, but they turn into sensual moans when she starts masturbating.

Candace just turned 18. She's still figuring out what she likes. She lets a stud suck on her toes and lick her soles, then returns the favor on the guy's dick before getting pounded.

Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: Harlow

From:
Concord, New Hampshire
Height: 5'3"
Weight: 100

Like most of our kinky girls-next-door, Harlow likes sucking cock, swallowing cum and having three-somes, but this adorable newcomer is special. "I've eaten out every one of my best friends. When they go down on me, I try to squirt in their mouths and make them swallow my juices like guys do when they hold down a girl's head when they cum. I think it's hot."

Harlow's getting her pussy pounded and her cute face creamed in our next issue!

Harlow's solo debut pics start on page 32.

Born: February 6
Ht: 5'4"
Wt: 114 pounds
Bras: 32C
Panties: Thongs
Anal: Just go slow
BJs: Swallow
Masturbate: All the time

"I masturbate all the time. I have a crazy high sex drive and love to masturbate. I really like to use buttplugs and dildos at the same time because it stimulates everything and feels so good. When I masturbate I think about being with both guys and girls because I'm bi."

Bisexual Beauty
"I love everything about girls. They give me butterflies. My favorite experience was with an old friend. It was the first time both of us were with another girl and it was so sexy and sensual. But I couldn't live without dick. I need to have that penetration."

If you recognize these pretty faces (or tits, pussies or assholes), you aren't alone. These are some of the most recognizable faces in the porn industry today. However, look a little closer and you'll notice that these smiling sexpots were just nervous, fresh-faced amateurs when these photos were taken. Take a trip down memory lane to when these stars were just girls-next-door.

They may be superstars now, but we shot their videos when they were fresh-faced newcomers!

You can stream now @ eboobstore.com

Lexi is a successful pornstar, webcam model and YouTuber now. When we shot her in December of 2017, she was brand-new and nervous. Russian redhead Jia Lissa has another famous face that you'll undoubtedly recognize. We shot her in 2018, a week before she launched her Instagram profile. Superstar Holly Michaels left webcamming in 2011 to shoot for us. A year after that, she was nominated for the AVN award for Best New Starlet.

Paige Riley

If you're a fan of cute, filthy girls who love getting slammed, then you've probably spilled seed to Dillion Harper. She was still working for Olive Garden when we shot her in 2012, a year before Hustler put her face on their mag's cover. Superstar Skylar Vox is one of the most-sought after models nowadays, but we got her first!

Love anal? Then you love Gina Gerson, also known as Doris and Valentina. She's always been a fan of butt lovin'! Naomi Woods may have over 130 porn films on her resume, but we were her first in 2015. Maya Bijou's biography states that she entered the industry in 2016. Try again! We shot her a year before that.

SEX MYTHS BUSTED!

Ever since we were kids on the playground, we've been hearing fables and myths about sex. Remember when your best friend tried to convince you that French kissing a girl could make her pregnant? You'd be surprised how many people still believe these common myths about sex. How many have you fallen for?

BUSTED: Women can only cum from clit play.

Even though the clitoris has over 8,000 nerve endings in the tip alone, and that's almost double the amount guys have in their cocks, clit stimulation isn't the only way to get women off. Some women can cum from nipple play or from their G-spot. You may have seen some anal porn and thought that the women getting their buttholes pounded while they cum were faking it, and some may

FUCK MORE, LIVE LONGER.

No, this isn't a line to tell your wife to get her into bed. Well, maybe it is, but let us explain. Doctors have found that a regular routine of sex between couples has been linked to lower chances of dying from heart disease, cancer and other ugly ailments. They came to this conclusion after tracking 15,269 participants for 11 years, quizzing them on their sex lives. What they found was astonishing. The more sex the participants had, the lower their risk of dying from illness. In fact, the people who had sex at least once a week cut their chances of kicking the bucket in half!

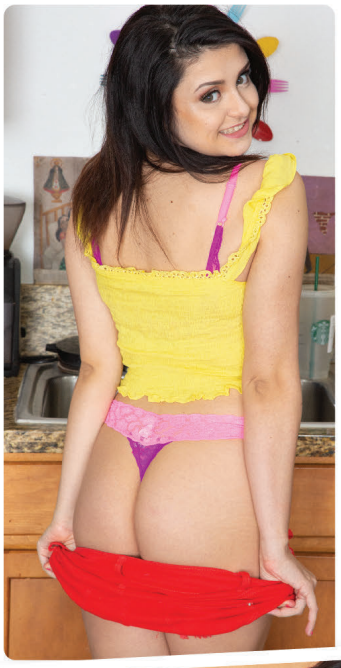
YOU CAN LEAVE YOUR SOCKS ON

This Valentine's day, don't buy your wife or girlfriend silk panties or a kinky schoolgirl outfit. Actually, do buy those things for her. They're hot as fuck. But, also consider buying her a new pair of socks. The University of Groningen in the Netherlands has found that cold feet interfere with a woman's ability to orgasm because it makes them less comfortable and more anxious. Their solution? A warm, fuzzy pair of socks.

Leda

Las Vegas, Nevada

Art student
Age: 18
Born: March 14
Ht: 5'4"
Wt: 123 pounds
Bras: 32B
Panties: I love lingerie
Anal: I love it
BJs: Swallow
Masturbate: Every day



Leda was an art nerd with a tight-knit group of friends in high school. Would they be surprised to see her stripping and cumming in a magazine? "Nope! Not at all," Leda informed us. "I've always been the girl who experiments and has adventures. My friends think I'm crazy."

We asked Leda if she has any special skills. “I create a lot of art. I paint, sculpt and write poetry. I’m also really talented at deepthroating. I used to practice on random objects in my house. Now, I can swallow pretty much any dick, no matter the size. The big ones are fun to suck, but my jaw gets a little sore. The best size to deepthroat is around six inches.”

Who needs a cherry?

"I lost my virginity to my high school boyfriend. We were watching porn and I wanted to try what we were watching. A few months ago, I took one of my guy friends' virginity. It was in his mom's car in a church parking lot."

Kimmy

Marietta, Georgia

Personal assistant
Age: 22
Born: August 10
Ht: 4'10"
Wt: 95 pounds
Bras: 34A
Panties: Thongs or hipsters
Anal: Licking only
BJs: Cum on my tits
Masturbate: Yep. Want to watch?

"I used to do ballet when I was younger," Kimmy told us. "I love to dance, and the ballet training helped me with rhythm and movement. Another benefit is that I'm super flexible still. Guys love it when we're in the missionary position and I pull my legs up behind my head. It's pretty much guaranteed to make them nut in a matter of seconds."

"My favorite position is doggie. It hits my G-spot. If I rub my clit while the guy is doing his thing, it's like a sensory overload. Most of the guys I've slept with have told me that my pussy is crazy tight, but doing it doggie-style relaxes me, and even guys with bigger dicks can go balls-deep inside me."

Take her for a spin.
"Because I'm so small, guys refer to me as a 'spinner,' like they could prop me on the end of their cock and spin me around. I've never done that, obviously, but the idea of being used like a tiny, little fuckdoll turns me on a lot."

Harlow

Concord, New Hampshire

Student

Age: 19

Born: May 1

Ht: 5'3"

Wt: 100 pounds

Bras: 32C

Panties: Any kind

Anal: A little tongue is fun

BJs: Swallow

Masturbate: Multiple times a day

There's nothing better than a beautiful blonde teenager who loves to fuck all day. "I like crazy-rough sex," Harlow explained. "I can't always get it as hard or as fast as I want it, so I usually end up masturbating after I fuck. I like it when the guy I just did watches me while I make myself cum. I'm totally an exhibitionist."

"I don't want to sound like I'm addicted to masturbating or anything, but it's my favorite hobby. My friends roll their eyes when I start talking about my new toys or a particularly epic orgasm that I just had because I'm like a broken record. Speaking of which, I just bought an awesome new vibrator. If I use my thickest dildo to fuck myself and put the vibe on my clit, I found out that I can squirt buckets."

Line up the ladies.
"My biggest fantasy is getting gangbanged by a bunch of lesbians wearing strap-ons. Like, I want at least four chicks to take turns on my pussy, sucking my titties, slapping my ass and French kissing me while I cum."

"I have an awesome group of friends. We're really open with each other about everything. My best friend and I used to make out all the time in high school. We pretended like we were just practicing for boys, but we totally loved lezzing out. I have that kind of relationship with all of my girlfriends now. I've eaten out every single one of them."

Ella is one of the sexiest redheads we've ever had the pleasure of watching spread her pussy on-camera. Her white, creamy skin is begging to be licked and fondled! Her pale breasts are soft, while her pink nipples are almost always hard. Don't even get us started on her pleasantly plump and creamy ass.

Hard or soft, your choice.
"I like it when a guy grabs my ass or kisses me hard in public. Spanking, being tossed around in bed and rough sex are fun, too. But, I also like it when a guy fucks me gently and is slow and passionate. It makes me so, so wet."

Masturbate: Of course

Everly told us that she gets along with pretty much everybody. "I make friends easily," she explained. "I'm into makeup, art, shopping, smoking weed and watching chick flicks, so girls tend to like hanging out with me. I get along easily with guys, too. I'm a hockey fan. My favorite team is the Bruins. Oh, and when I'm bored, I like to suck dick."

"I'm a total foodie. Fancy restaurant dates are my favorite, and spicy food is an aphrodisiac for me. When I start sweating, my neck isn't the only thing getting wet! I won't get freaky if there's heat involved, though. I learned my lesson after eating spicy Thai food and then giving my date a handjob under the table. He said it felt like I lit his cock on fire!"

"I'm aggressive when I suck cock, but I like to be more passive when I fuck. I love guys with big muscles who use them to dominate me. My fantasy is having two giant meatheads throw me around and spitroast me. I love choking, slapping, hickeys, hair pulling and dirty talk. I would want the guys to absolutely destroy my pussy, ass and mouth until they were totally drained."

Little Alicia is adorable. She weighs less than a bag of feathers, but if you think that her small frame limits her ability to take a dick, you'd be wrong. "I prefer really big cocks," Alicia told us. "I have nothing against small or medium-sized dicks, but they just can't compare. I love sucking a fat cock, just imagining how it's going to feel when it stretches my little pussy super wide. I'm wet just thinking about a 10-incher right now!"

Liquid courage.
"I'm not that big of a party girl, but the first time I hooked up with a guy with a huge cock, I had to take a pause to drink a few shots of tequila before I fucked him. That was the first time I realized how easy it is to cum from sex."

Mandy told us that even though she's tall, she much prefers being submissive in the bedroom. "I want guys to take control," she said.

Blaire

From the other side of the street, you'd think Blaire was a little angel-faced fuckdoll. Up close, she's a goddess of epic proportions who loves taking big cocks in her tight cunt.

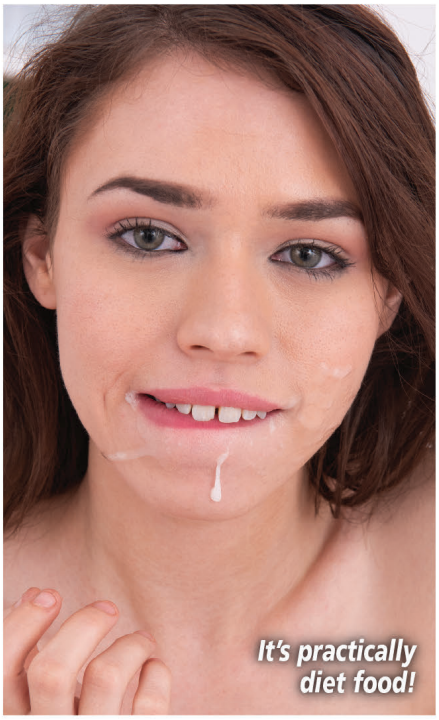
have been, but not all of them. In fact, a French polling and market research firm called IFOP conducted an International study and found that 42% of women in the United States have orgasmed from anal sex, more than any other country in the world. Italian and Canadian women tied for second place, and British women and Spanish women came (ha!) in third.

BUSTED: Swallowing cum is unhealthy and high in calories. Don't believe what your wife says, the



calories in your jizz don't compare to a slice of New York cheesecake or even a stick of gum. Some estimates are as low as five calories per teaspoon, the average amount of sperm produced in a load. But, did you know that cum is

rich in zinc? One deposit of your cum in your lady's mouth could net her almost 3 percent of her daily zinc requirements. If she prefers that you cum on her face (lucky you!), let her know that sperm contains the antioxidant spermidine. As for the "unhealthy" part of this myth, sperm is pretty much sterile as long as the guy providing it doesn't have any STIs or STDs.

BUSTED: Women want a humongous cock, even if they say that they don't.

The size of your whopper doesn't matter nearly as much as you think, or, it probably doesn't matter to your partner, at least. It's all about compatibility. If you're having a one-night stand with a bar floozy who prefers a meat log in her pussy and you're only packing a Vienna sausage, then you might have a different experience. But, most women find men who fit their vagina. We can't imagine a woman with a small, tight pussy would want a man

like our stud J-Mac to swoop in and slam them into oblivion. If you (or a friend) are still worried about not packing enough heat, you should know that the vaginal length on average is only 4.25-4.75 inches long. The average cock length is 5.88 inches. Also, only the first two to three inches in a vagina have nerve endings, so there really isn't too much to worry about. Still, give the women who love big dicks a break, it's not their fault, and they're usually the ones who come shoot porn for us.

BUSTED: Only men get wet dreams.
Remember your first wet dream? It probably happened right after you started puberty. But, according to a

study of 245 female college students in 1986, 37 percent of them had a wet dream before. A whopping 30 percent of them claimed to have had one within the previous year. They may not squirt like a teenage boy jazzing in his pajamas, but women definitely cum in their sleep.

BUSTED: College students have the best sex.
Granted, you may have had great sex in your late teens or early 20s, but that's not true for everyone. No matter how old you are, there's plenty of time for you to still get freaky. But, at what age do most people have the best sex? According to a poll posted on

For some stupid reason, my guy volunteered to organize the place, and, being a good girlfriend, I said I'd hang out with him there one night. Little did I know, that was all part of his devious plan."

"My boyfriend left out a few books about sex and sex positions. I read a couple of them and they got me hot. He knew exactly what he was doing. He pulled out his camera and started shooting. I've taken nudes before, but this was the first time I ever let someone else shoot pics of me. I liked it! I went way further than I had planned."

BUSH Baby

There's a surprise in Emma's panties...a big, juicy bush! If you like your girls au naturel, Emma will get your juices flowing. She's a blue-eyed, pale-skinned beauty who enjoys teasing but loves to deliver even more. "Some guys go crazy for my bush. They'll spend hours going down on me, and they even prefer that to receiving blowjobs. It's wild."

BUSH
Baby

It's getting harder to find quality Bush Babies to show you guys. Sure, some chicks have a landing strip or a neatly trimmed triangle, but those don't count as bushes in our minds. Emma has a great bush, however, so let's all enjoy seeing her spread her cunt and play with her lush crotch hair. When she gets wet, you can practically smell the warm, sensual and pheromone-rich sexuality coming from her cunt.

BUSH Baby
Down with peer pressure.
"I've always had a bush. When my friends started shaving their legs, I did it, too. But then one of them mentioned shaving her pussy and I was like, 'what? Why would you do that?' I never understood the appeal of a hairless pussy."

We asked Kimberly what high school was like. "I'll be the first to tell you that I wasn't a great student," she explained. "I was never interested in studying. When I found the drama department, I was finally happy. I like putting on a character. You're seeing my porn character right now!"

"I love roleplaying in the bedroom. My closet is packed with outfits and lingerie. Most guys like my schoolgirl dress. It's a total cliche! I don't mind playing the role of a submissive, little student fucking her older teacher, but I also like being in control. When I'm feeling bold, I break out my leather domme outfit and my wood paddle."

Wax on, whack off.

" I compete in Shaolin Kung Fu competitions. I love it. It's a rush to do something so physical in front of people. It's even more exciting because I'm fucking my instructor after everybody else leaves the temple!"

Youth isn't everything, but it's nice.

BUSTED: There's nothing you can do about premature ejaculation.

Cumming too early is embarrassing. But, a lot of guys think that if they pop after five minutes they have an issue with premature ejaculation. That's not true. Premature ejaculation is when a man routinely finishes in under a minute. As many as one in three men experience premature ejaculation. Luckily, there are solutions. Around 95 percent of men respond well using these common techniques designed to help quick shooters.

Stop-and-start technique.

Train yourself to back down from the sensations that make you want to nut. Jerk off (or have a lady jerk you off), and then stop everything right before

you bust. Give it a minute. Take a deep breath. Then, when you aren't so stimulated, start again. This exercise can help you learn when you need to slow things down during sex, and it will help you get in tune with your body.

Kegels. It's not just for women. Strengthen your pelvic floor muscles and you'll be able to hold back the flood gates when you feel like you're about to bust early. Locate the muscle that allows you to cut off your pee stream mid-flow. Now, flex it for three seconds. You can even do this while you're taking a leak. Start your piss, hold the stream for three seconds, and then release. Repeat this exercise around ten times per urinal visit, and you should gain some more control over your orgasm.

Exercise. You know what factors into premature ejaculation a lot more than we think? Your mental state. Stress, anxiety and depression

"The kinkiest sex I've ever had was in a movie theater. The guy pulled his cock out and put my hand on it. I ended up sitting on his lap and riding him. I didn't want him cumming in me, so I got off of him and swallowed his load when it was time."

ANAL EDUCATION

Teen babes are naturally curious when it comes to sex. They love getting their tight pussies stuffed with cock, but what about their even tighter assholes? Six little hotties find out what it's like to get a cock up their butts. Turns out, it's pretty fuckin' awesome!
141 Min. XXX Rated (DVD only)

BEST FUCKIN' FRIENDS

When these girls say they share everything, they mean everything... especially cocks! Loaded with three girl-girl-boy three-somes and one wild swapping scene, there's plenty of cum-swapping, tit sucking and girl-girl pussy licking.

BUSH BABIES 4

Twelve brand-new Bush Babies show off their dripping-wet and fragrant cunts. You won't find these girls together anywhere else. Hear them moan as they penetrate their fuzzy cunts with vibrators, finger and rub their buttholes and reach massive, shaking orgasms.
200 Min. X Rated (DVD only)

BUSH BABIES 5

It's a jungle down there, but you're the Bush Man who can handle these Bush Babies. And because au naturel means more than hairy pussy, some of these babes have hairy armpits and legs, too. There are 12 girls, all amateurs, and two of them are MILFs.
